Wedding Themes that are Perfect for Autumn

Spring and summer weddings are beautiful, but autumn weddings are positively enchanting. In northern Minnesota, where the autumn season inspires warmth, comfort, and charm, set your wedding against the woods of The Wilderness for a memorable event. Get inspired by these autumn wedding themes as you begin planning your celebration.

Vintage Romance

For a soft and romantic celebration, infuse your wedding with vintage elements. Think about a palette of blush, champagnes, and irones. Set up a Polaroid photo booth with suitcase props and floral petals strewn throughout your reception. For the bride's look, play around with ruby red lips, lace, pearls, and a birdcage veil. Tea length gowns—not too short, but not quite floor length—are perfect for bridesmaids. To personalize your banquet tables, set up framed photos of family weddings from different generations for that something old, yet still beloved.
